TELEMARKETING

Vernon Directories is concerned about consumer reactions to unsolicited telephone calls, often at inappropriate times.

City Directories are utilized by Government and business for a wide range of functions.

The following are telemarketing guidelines developed by the Canadian Direct Marketing Association.

• UPSET PROSPECTS RESULT IN LOST CUSTOMERS

1. Telephone Marketers should promptly identify themselves and the organization represented.
2. Telephone presentations must be clear and honest. There should never be attempts to mislead or misrepresent, exaggerate, use partial truths, engage in deception, fraud or false pretense of any sort.
3. Normal rules of telephone courtesy should be observed. Attempts to harass, intimidate, or the use of obscene or vulgar language are unacceptable.
4. The privacy of the consumer must be respected by making every effort to make calls at a time and place convenient to the recipient. Vernon Directories recommends that the following time period for outbound calling be observed, 9:00 a.m. to 8:00 p.m. weekdays, 10:30 a.m. to 5:00 p.m. Saturdays. No calling should be conducted on Sundays.
5. Telephone Marketers should not call unlisted or unpublished telephone numbers unless a current relationship with the prospect exists.
6. Telephone orders should not be accepted from minors without adult approval.
7. Telephone Marketers should make conscientious efforts to remove names from their contact lists when requested to do so.
8. All calls should be made within the framework of Federal, Provincial and Municipal Laws.
9. Telephone Marketers should respond to the consumer in a forthright manner, providing the recipient with copies of all pertinent information upon request. Every reasonable effort should be made to ensure that a customer has a thorough understanding of his / her obligations.
10. In Telephone Marketing Programmes where the caller intends to play a recorded message, he or she must first personally obtain the consent of the receiver to play the recorded message.
11. Whenever monitoring / call observation, and / or tape recording equipment is employed all applicable statutes will be adhered to.
12. In accordance with crtc regulations, when ADAD's (Automatic Dialing and Announcing Devices) are used for sales solicitation, the ADAD must disconnect the line within 10 seconds of the other party hanging up. The CRTC regulations for ADAD calling are as follows, 9:30 a.m. to 8:00 p.m. weekdays, 10:30 a.m. to 5:00 p.m. Saturdays, 12:00 p.m. to 5:00 p.m. Sundays.
